Krups Product Catalogue

Precision coffee and kitchen appliances, crafted in the German tradition since 1846.

DISTRIBUTED IN SOUTH AFRICA BY

"Details that make a big taste difference."

ABOUT THE BRAND

German precision, since 1846.

For over 175 years, Krups has turned the pursuit of the perfect cup into a science.

Krups was founded in 1846 by Robert Krups in Solingen, Germany, originally producing precision scales before turning to household appliances in the 1950s. Coffee quickly became its calling, and today Krups is recognised worldwide as a specialist in coffee and food preparation.

Since joining Groupe SEB in 2001, Krups has been repositioned as a premium brand, pairing German engineering with SEB's global R&D resources to deliver appliances that are robust, precise, and genuinely satisfying to use — details that make all the difference.

01 Engineered for precision

Robust mechanisms and precise temperature and grind control, built to deliver consistent results, cup after cup.

02 Everyday performance

From cordless kettles to bean-to-cup machines, features designed to remove friction from daily routines.

03 A premium standard

Brushed metal finishes and considered detail bring a premium feel to every countertop.

SOUTH AFRICA

This range is imported and distributed across South Africa by Classic Houseware, supplying independent retailers and major online platforms nationwide.

Warranty & Guarantee Policy

Every Krups product is backed by Classic Houseware's national service and spares network.

01

Factory Warranty

All Krups items carry a 2-year warranty against factory defects, valid from the original date of purchase.

02

Out-of-Box Exchange

Items with a fault within 7 days of purchase qualify for an exchange, once tested and confirmed by a Classic Houseware sales agent.

03

Spares & Support

Genuine spare parts and accessories are available for purchase from Classic Houseware, ensuring a long, serviceable lifetime.

04

Proof of Purchase

A valid proof of purchase — the original invoice — must accompany every warranty or exchange claim.

05

Repair Warranty

After the initial exchange period, items carry a 2-year repair warranty for factory faults, repaired at an approved service centre.

06

Out-of-Warranty Repairs

Repairs for products outside the warranty period are carried out on a chargeable basis.

Full terms and conditions are available from your Classic Houseware representative.
